APPENDIX D

Resources

Following are some resources that may be helpful to your organization in implementing or conforming to the CARF standards. Resources are organized by topic and may be relevant to multiple standards.

CARF does not endorse or expect the use of any specific products, companies, or resources. Resources listed are not inclusive of all resources available on a topic and are provided as guidance only.

Resources include references to websites, organizations, and publications. When available, links are provided. Some websites contain multiple helpful resources.

Resources and links may change or be updated periodically. Please visit the CARF website www.carf.org/resources for current resource listings throughout the year.

If you discover a broken link, or would like to submit a resource you feel may be helpful, please submit your feedback for consideration to documents@carf.org.

Accessibility

— Americans with Disabilities Act, U.S. Department of Justice: www.ada.gov

— U.S. Access Board: www.access-board.gov/aba/guides

— Checklist for Readily Achievable Barrier Removal: www.usdoj.gov/crt/ada/checkweb.htm

— W3C Web Accessibility Initiative: www.w3.org/WAI

[Canada]

— Ontario accessibility laws www.ontario.ca/page/accessibility-in-ontario
Assistive technology

CARF does not endorse specific products or companies. The following list provides links to a variety of technology products and services currently available.

— Michigan Disability Rights Coalition, Michigan Assistive Technology Program: www.mydmrc.org/assistive-tech
— Assistive technology industry associations

Cancer rehabilitation resources

CARF acknowledges and thanks Nicole L. Stout, DPT, CLT-LANA, for her contributions to and assistance with identifying resources for this section.
